TO: CHAIRPERSON AND MEMBERS OF THE NORTHERN YORK COUNTY REGIONAL POLICE BOARD OF COMMISSIONERS

FROM: CHIEF DAVID L. LASH

SUBJECT: ANNUAL REPORT 2020

INTRODUCTION

As it was for all the world, 2020 was an interesting journey for the Northern York County Regional Police Department. We began patrolling three new municipalities on January 1, 2020 and as a result, a lot of fresh, new faces joined the Department. COVID-19 became a reality and affected our daily routine. Numerous officers and staff were afflicted, but all have fully recovered. Through all the challenges, the men and women of the Northern York County Regional Police Department faithfully fulfilled the duties of their position.

The year was filled with anti-police rhetoric and political theater. When the cry of “Defund the Police” was echoing through our nation, your support to our Officers, staff, and our communities was unwavering. The Commission recognized the efforts of their police officers by giving each officer a commemorative knife. On behalf of the entire Department, I want to thank you for your continued support and leadership.

Unfortunately, our agency lost two good men in 2020 - retired Corporal Philip Blazosky and Commissioner Matt Muir. Both men were tireless advocates of the Department and left their mark on our lives and our hearts.

ORGANIZATIONAL MILESTONES IN 2020

- 30,730 Incident Reports (calls) – busiest year in the history of the Department
- The overall Crime Rate in NYCRPD area dropped by 16.58%
- Began providing police services to North Codorus Township, Manheim Township and Heidelberg Township
- Purchased and renovated the former Southwestern Regional Police Department building
- Dedicated the substation in the memory of Officer David Tome
- Criminal Investigations Division was relocated to the Officer David Tome Substation
- Transferred the Southwestern Regional Police Department Pension Plan into the Northern York County Regional Police Pension Plan.
- Consolidated our 457(b) plan to ICMA-RC from multiple platforms

- Northern York County Regional Police Explorers' Post 1445 continued to grow and had 20 members at the end of 2020.
- Sold over 1500 "We Support Our Police" signs to support the Explorers' program
- Officers Erika Eiker, Derek Snyder, Robert Ryman, and Matthew Straub were promoted to Corporal.
- Corporals Kyle McClure and Noah Potteiger were promoted to Sergeant
- Officers Jesus Marmolejos, Timothy McCue, Daniel Paz, Brian Schantz, Destiny Marshall, Michael Miller, and Patrick Gartrell joined the Department.
- Officers Donald Godfrey (30 years) and Todd Wise (25 years) retired.
- Revamped the Department website
- Changed the Department's Record Management System from Visual Alert to CSI Infoshare
- Purchased and deployed a Ford Police Interceptor Utility Hybrid to evaluate the potential cost savings
- Purchased a new, redesigned "Officer Dorothy"
- Decreased the "Unit Cost" for the second consecutive year.
- The Commission presented custom knives to the Officers and staff as an acknowledgement of their hard work and commitment.
- We held our first "Stuff a Police Car" event to benefit Toys for Tots

ORGANIZATIONAL OBJECTIVES FOR 2021

- Renovate and lease out space at the Officer David Tome Substation
- Testing, evaluation and deployment of the BolaWrap Remote Restraint Device
- Acquire WRAP Reality VR Training Simulator
- Migrate NYCRPD to Office 365 for Government and secure cloud storage
- Migrate MVR and Body Worn Camera footage to secure cloud storage
- Replace existing Glock Model 22 handguns with new Glock Model 22 Gen 5
- Continue converting the patrol fleet to hybrid powertrains
- Increase community engagement by attending and hosting community events throughout the jurisdiction.

The governing body (the Commission) is comprised of one elected official from each municipality. As such, Lorreta Wilhide represented Conewago Township, Andrew Kroft represented Dover Borough, Michael Cashman represented Dover Township, Mark Wenrich represented Franklin Township, Matthew Bollinger represented Heidelberg Township, David Brown represented Jackson Township, Rodney Brandstedter represented Manchester Township, Matt Muir and Larry Miller represented Manheim Township, Dennis Luckenbaugh represented North Codorus Township, Nancy Brunk represented North York Borough, and Clark Craumer represented Paradise Township.

Together, our 11 municipalities encompass more than 214 square miles or 23.5% of the total landmass for York County. More than 86,000 people called our jurisdiction home in 2020. This is 19% of the total York County Population.

As we approach our 50th year of service, we look forward to continuing to be the model of police consolidation and municipal cooperation throughout the Commonwealth.

STAFFING

Units of Service

In keeping with the dictates of the "Articles of Agreement", municipalities purchase time by using a "unit of service" concept. Units are currently measured by a formula of 10 hours equaling one unit. Time is monitored in fifteen-minute increments on a daily, weekly and annual basis. This year, the Department managed 125,580 hours of service—117,780 hours of service to the municipalities and an additional 7,800 hours contracted to Spring Grove School District, Dover Area School District and Lincoln Intermediate Unit. These hours are specifically earmarked to/for our School Resource Officer's efforts in schools.

Thirty-one (31) members of the Department missed no sick time during 2020. The sworn members used an average of 1.488 days sick time, which is up from 1.202 days during 2019. Five officers were off for surgery/recovery during the year; as a result, approximately 1,950.25 hours of work time were missed due to surgery and/or hospitalization. The non-sworn member average was 2.234 days, up from 1.016 days during 2019.

This year we experienced 5 Worker’s Compensation claims – one more than last year. The Department established a Safety Committee to review duty-related injuries, discuss ways to prevent injuries, and improve the overall safety of employees while working.

The Department and its members received 90 commendations this year. The Officers and the Department were commended for a job well done by:

We are very proud of this recognition by our peers and the public. The Chief and the Board of Commissioners recognized another 34 officers for their work in 2020. Officer Michael Warfel was named the Department’s Officer of the Year.

The Department investigated five conduct complaints that resulted in a suspension. Six other infractions occurred and were investigated which resulted in discipline less than a suspension. In this area, we will continue to focus our efforts on improving.

Calls for Service

In order to understand the workload demands placed on the Department, it is important to have a historical perspective. In other words, where have we come from and where might we be going. To that end, we offer the following ten-year recap of activities. Our base year for this purpose is 2011.

<u>Year</u>	<u># Calls</u>	<u>% Increase/Decrease</u>
2011	28,145	+ 4.91
2012	26,936	- 4.30
2013	25,893	- 3.87
2014	26,127	+ 0.90
2015	26,707	+ 2.22
2016	28,616	+ 7.15
2017	28,919	+ 1.05
2018	29,012	+ 0.32
2019	29,642	+ 2.17
2020	30,730	+ 3.54

This year our call load showed an increase of 3.54%. In 2020, we serviced 30,730 calls for police assistance, which are 1,088 more calls than the previous year. 2020 marked the highest total calls serviced in Department history. Therefore, our ten-year annualized average increase is 14.09%, which is a yearly average increase of 1.409%.

At this point, we will discuss, in some detail, the 30,730 calls serviced. As you review this information, it might be beneficial to understand how authorities look at police activity. Experts report (and authorities generally agree) that of all the calls received for police assistance, approximately 20% will be "Criminal" in nature and 80% will be "Service" in nature. Our figures indicate that 12.37% (3,802) of our total calls (30,730) were criminal in nature and 86.58% (26,607) were service in nature and municipal ordinance violations accounted for 1.05%. Therefore, we appear to be experiencing a less than average amount of criminality and a higher than average amount of service activity in our jurisdiction when compared to the norm.

A breakdown of our total activity has been charted in five general areas. Calls that are criminal in nature, as defined by the Uniform Crime Report, are a combination of 645 Part I offenses and 3,157 Part II offenses. Calls that are service in nature are a combination of 1,715 traffic crashes investigated, 321 ordinance violations and 26,607 incidents that have not been classified as criminal in nature and may best be described as service calls.

Activity

The Field Services Division, Patrol Section, issued 12,324 traffic citations this year. This is an increase of 974 compared to 2019. For historical reference, our traffic enforcement index has, in the past years, moved both higher and lower.

The Board should know that the enforcement index is determined by dividing the number of injury/fatal accidents into the number of citations issued. An optimum enforcement index is 10-20 citations for every injury accident according to authorities in the field. A five year overview is as follows:

<u>Year</u>	<u>Citations</u>	<u>Injury/Fatal Accidents</u>	<u>Traffic Enforcement Index</u>
2020	12,324	242	50.93
2019	11,350	256	44.36
2018	12,277	285	43.08
2017	12,405	269	46.12
2016	13,738	310	44.32

TRAFFIC ENFORCEMENT	2019	2020	19/20
Citations	11350	12324	974
Written Warnings	2567	2685	118
Faulty Equipment Cards	1564	1417	-147
Parking Tickets	214	129	-85
Abandoned Vehicles	365	193	-172
Parking Warnings	58	10	-48

Patrol conducted no less than 16,758 traffic-related investigations in 2020 or nearly 46 per day, on average, or one traffic investigation every 31 minutes. None of this activity is classified as a reportable case and, therefore, is not tallied in the call-load figures expressed elsewhere on this report.

In 2020, 248 persons were charged with "Driving Under the Influence" (DUI), which decreased from 260 DUIs effected in 2019. Northern York County Regional Police officers continue to arrest intoxicated drivers at a far greater rate than their counterparts across the state. A ten-year recap illustrates the efforts made to keep our citizens safe.

- 2020 - 248
- 2019 - 260
- 2018 - 327
- 2017 - 333
- 2016 - 373
- 2015 - 393
- 2014 - 365
- 2013 - 431
- 2012 - 424
- 2011 - 472

There were 35 drunk drivers involved in motor vehicle accidents, which reflects 14.11% of the total drivers charged with DUI. Those arrested for DUI, on average, had a blood alcohol concentration of .171% more than 2.13 times the legal limit. The highest blood alcohol reported in 2020 was .414% or 5.18 times the legal limit.

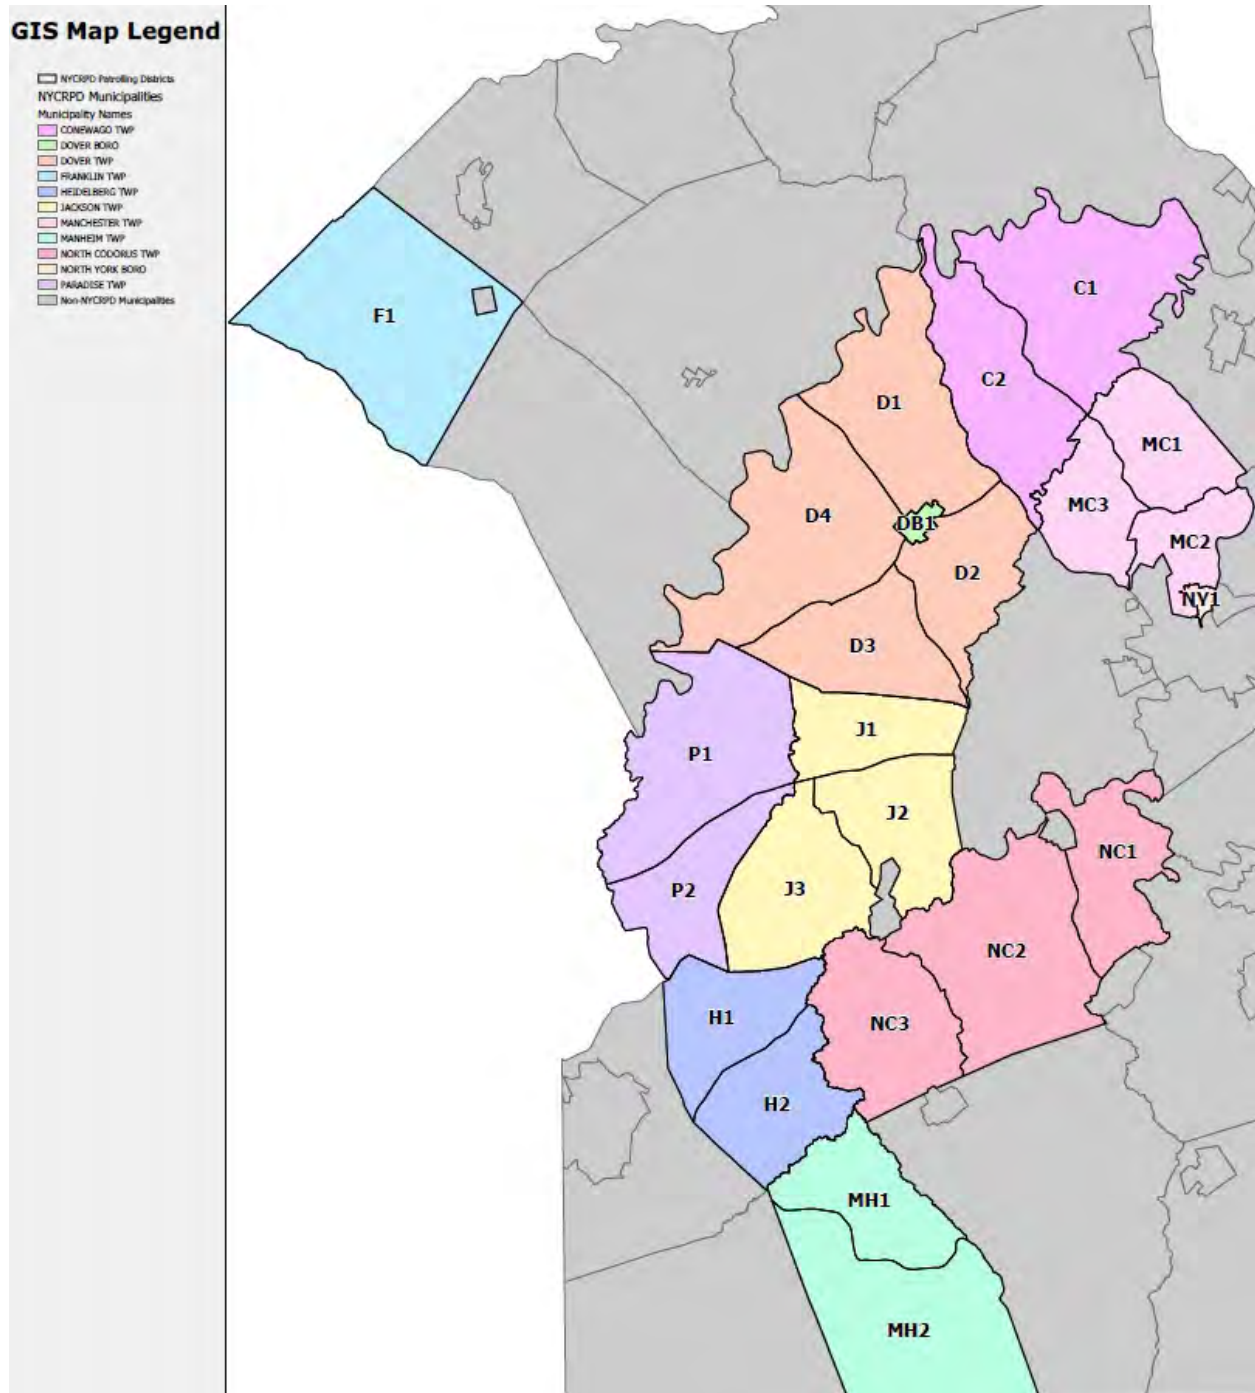

There were 11 DUI offenders who were under the age of 21. This accounted for 4.43% of the total.

DUI arrests, where drugs are the cause of intoxication, are classified by the higher UCR value attached to drug usage. During 2020, twenty-seven (27) "Drivers Under the Influence" were found to be under the influence of drugs and, therefore, charged with DUI/Drugs and, as a result, removed from the population of traditional "Drivers Under the Influence" for accurate reporting.

The Department also engaged in a York County program called "Target 25". Statistically, 25% of the DUI offenders have been charged with DUI previously. Offenders that are not first time offenders are charged, and arraigned and placed under supervision immediately. The purpose of this program is to monitor repeat offenders quicker, thus making the roadways safer. During 2020, we processed 78 offenders as "Target 25".

Serious Crime

The 645 reported crimes classified as Part I Offenses under the FBI Uniform Crime Report System are the most serious crimes. Serious crime was up 3.36% (21 incidents) in our entire jurisdiction. This increase is attributable to the expansion of our jurisdiction and not an indication of higher crime. Part I crimes include: Homicide, Manslaughter, Rape, Robbery, Aggravated Assault, Burglary, Theft, Auto Theft and Arson. Our overall Department clearance rate for these crimes is **45.74%** compared to 45.99% in 2019.

A formula is available to numerically chart or indicate a municipality's crime rate in finite terms. The rate is determined by dividing 100,000 by a municipality's population; times the Part I reported crimes. The overall regional jurisdiction experienced an annual decrease (16.58%) in the crime rate. Municipal crime rates appear for review on Table IV.

Less Serious Crime

The 3,157 reported crimes classified as Part II offenses under the FBI Uniform Crime Report System are less serious crimes. Part II Crimes increased (454 cases) or 16.58% in 2020. Again, this is due to the expansion of the jurisdiction and not indicative of higher criminality. Our overall Department clearance rate for these crimes was **84.04%** compared to 86.35% in 2019. Our grand total clearance rate for both Part I and Part II crime was **77.54%** compared to 78.78% last year. A three-year review of these crimes appears on Table V.

Service Calls

As mentioned earlier, national averages indicate that approximately 80% of all calls received by police will be "service" in nature. We found ours to be 86.58% this year. Municipalities as shown on Table VI generated these 30,730 calls.

Vehicle Accidents

Accident investigations are also classified within the concept of a service call. This year we experienced a decrease in the accidents we investigated. The 1,715 accidents reflected a decrease of 102 crashes or 5.61% compared to 2019. Injury accidents investigated were 236, which decreased by 15 from 2019. In addition, we investigated 6 fatal accidents (6 deaths) reflecting one more crash and one less fatality.

We continue to seek ways to reduce accidents and save lives using various methods. The enforcement of traffic offenses continues to be of high priority. We hope that our uniformed presence during traffic enforcement will have some deterrent effect on not only the violator, but also the motoring public. We continue to offer educational programs to the public in defensive driving and addressing community concerns with traffic issues. We remain vigilant in reporting dangerous road conditions to both our municipalities and PennDot. Our goal is to continue all of these efforts in an attempt to make our highways safer.

FIELD SERVICES DIVISION Criminal Investigation Section

The primary responsibility for follow-up investigations of serious crime is vested in the Criminal Investigation Section of the Field Services Division. This section is staffed by the Special Operations Lieutenant who supervises a Sergeant and four full-time investigators and an officer assigned to the Drug Task Force.

The Special Operations Lieutenant is responsible for the review of all criminal reports, supervision at all major crime scenes, staff review of all major criminal cases, liaison with other agencies regarding effective information exchange and coordination of investigative efforts. The Special Operations Lieutenant also serves as the Commander of the Officer David Tome Substation.

Other duties of the Criminal Investigation Section include:

- Assist the Patrol Division with fatal accident and death investigations
- Serves as the system manager of the Department's automated evidence management system—this includes tracking, retention, storage, and transportation of evidence for laboratory testing
- Participating in crime prevention and reduction programs, which includes working specialized details in areas where criminal activities are prevalent
- Surveillance and specialized electronic applications
- Perform Voice Stress Analysis examinations
- Investigation and reporting of complex and time-intensive investigations, which require follow-up function and dedication of time-based assets
- Liaison and analysis of information between Federal, State, and other local law enforcement agencies

In 2020, 687 incidents were investigated by the Criminal Investigations Divisions (CID) as compared to 689 in 2019. The Criminal Investigation Division closed 588 or 85.59% of the 687 incidents investigated.

The forensic analysis of computer related items continued this year for our agency and other partnering police departments. In 2020, there were 202 pieces of equipment (15 computers, 15 tablets and 172 cell phones) analyzed for our agency. The time spent processing cell phones and other types of media amounted to 412 hours.

In 2020, there were 101 interviews conducted at the Children's Advocacy Center (CAC) compared to 140 conducted at the CAC in 2019. The CAC is a neutral location used to interview children who are victims of sexual and physical abuse. With the changes to Title 23, Section 6311, which deals with the mandatory reporting of suspected child abuse, we continue to experience the need for many CAC interviews.

One member of the Criminal Investigation Division was assigned to the York County Drug Task Force in 2020. The drug task force is a county-wide specialty unit that consists of officers from multiple departments focusing their efforts on drug investigations and arrests. The assigned Detective effected 32 felony arrests, 77 misdemeanor arrests, submitted 693 reports, and wrote 253 supplemental reports. Due to the ongoing impact of heroin-related issues in our communities, this assignment is necessary and has the ability to impact crime from many different perspectives.

Community Police Unit

The "Community Police Unit" presented a total of 32 civic programs in 2020, reaching out to over 4,500 people. Our community interactions were hampered in 2020 by pandemic related restrictions and cancellations. These programs ranged from personal safety issues to drug awareness. There were 14 child car seat checks completed by our certified car seat technicians.

In late 2012, the Department began participating in the Drug Enforcement Administration's (DEA) National Drug Take-Back Program. This program offers the public a convenient way to dispose of unused and expired prescription medication.

The York County Solid Waste Authority contacted the Department and purchased a permanent drug take back box for our lobbies. The drug box is accessible to the public during business hours. During 2020, we collected more than 760 pounds of prescription medication for destruction.

In addition, the Unit has also been involved with community concerns and activities with everything from problems with traffic flow and speeding motorists to the coordinating of benefit runs, parades, and block watch events. The Community Police Officer (CPO) instructed one class in "Defensive Driving" involving 20 participants, age 16 and older.

"Officer Dorothy" was utilized in 2 programs at the schools and at local civic events with more than 70 people attending. A new 'Officer Dorothy' was obtained in 2020. We look forward to her attending events in 2021.

The Northern York County Regional Police Department held its ninth National Night Out Event on Tuesday August 4, 2020 at the Union Fire and Hose Company in Dover Borough.

The premise behind National Night Out is to forge partnerships between law enforcement and members of the community to aid in crime prevention and create a safer community for families. The evening was a complete success!

Over 1,200 members of our community attended National Night Out. The evening included a free community cookout with displays/demonstrations from local emergency responders, businesses, and social agencies. The event was made possible by donations from local businesses and corporate sponsorship and several of our municipalities.

Explorer Post 1445

In 2019, the Northern York County Regional Police Department established the only active Explorer Post in York County. The Explorers program is designed for adolescents who are between the ages of 14 and 20 years of age. The program gives the explorers basic instruction in various phases of law enforcement. The Post is known as “NYCRPD Post 1445”.

Through donations from community businesses the program was able to purchase uniforms and equipment for the Explorers. Also, the Department sold “We support our Police” yard signs and the money raised went to fund the Explorer Program.

The Explorer Academy and some meetings were cancelled in 2020 due to the Covid-19 Pandemic.

The Explorers learned close order drill, firearms safety, shooting instruction, First Aid and CPR, Stop the Bleed, Traffic Stop Procedures, Felony and Non-Felony Arrest Actions and numerous other police procedures.

The Explorer Post also had other Law Enforcement Agencies attend the meetings as guest speakers, Pennsylvania Game Commission, and the York County Quick Response Team.

The post members continue to meet biweekly at the Northern York County Regional Police Range Building. The biweekly meetings are staffed by officers from the Northern York County Regional Police and a female officer from Penn Township Police Department who volunteer their time to the program. At the meetings, the Explorer’s continue to learn police policy and procedure and hands on application of the subject matter. Recruitment is now open for 2021 Explorer Candidates.

School Resource Officers (SRO)

Spring Grove Area School District:

Since 2008, the NYCPRD has been providing a School Resource Officer (SRO) to the Spring Grove Area School District and in October 2018, an additional SRO was added. The SROs, based at the high school, and middle school work 1,560 hours annually. This program has been well received and has generated many positive student/officer relationships. The SROs coordinate all security issues for school-related events.

During 2020, 426 incidents were handled. This is 232 less than 2019. Of the 426 incidents, 165 were at the high school, 101 were at the middle school, 24 were at the intermediate school, 32 were at the elementary schools, and 104 of the incidents related to security at school events.

The SRO's instructed 86 classes at Spring Grove Schools during the calendar year 2020. Through these instructional activities, the SRO's had the opportunity to interact with nearly 2,500 students or 65% of the total enrollment of 3,846. A breakdown of the SRO's instructional activities by grade level is as follows:

- High School: 40 instructional activities, 1,500 students
- Middle/Intermediate Schools: 35 instructional activities, 1,200 students
- Elementary Schools: 6 instructional activities, 500 students
- Administration, Teachers and Transportation: 5 instructional activities, 650 people

Dover Area School District:

In February 2014, the Northern York County Regional Police Department began providing a School Resource Officer (SRO) to the Dover Area School District and in August 2019, a second SRO was added.

During 2020, 523 incidents were handled. This is 12 more than in 2019. Of the 523 incidents, 132 were at the high school, 197 were at the intermediate school, 94 were at the elementary school, and 100 of the incidents related to security at school events.

The SRO's instructed 29 classes during the calendar year 2020. Through these instructional activities, the SRO's had the opportunity to interact with over 1,590 students or 45.52% of the total enrollment of 3,493. A breakdown of the SRO's instructional activities by grade level is as follows:

- High School: 10 instructional activities, 530 students
- Intermediate Schools: 9 instructional activities, 630 students
- Elementary Schools: 10 instructional activities, 430 students

Lincoln Intermediate Unit #12:

In April 2019, the Northern York County Regional Police Department began providing a School Resource Officer (SRO) to the York Learning Center operated by the Lincoln Intermediate Unit #12. During 2020, the SRO handled 331 incidents at the school. This is 137 less than in 2019.

SUPPORT SERVICES DIVISION

Records Section

The primary responsibility for gathering, compiling, and disseminating information lies with the Records Section. A Sergeant (who supervises the civilians) and three civilian employees staff this section. The role of the Records Section is to ensure and coordinate the rapid and orderly flow of information between the various components of the police department. One of the many integral functions is to provide data entry into the automated information system. The members also provide other varied services, including the greeting of all visitors to departmental headquarters and processing all insurance or other outside requests for information. The staff assigned to Records processed over one million records in 2020.

On June 29, 2020, the Department began using CSI Infoshare as our Records Management Software. Infoshare is more customizable platform than our legacy system and allows us to integrate information from the 911 Center and the Commonwealth Law Enforcement Assistance Network (CLEAN). Infoshare has proven itself to be a user friendly, efficient way of documenting our police activities.

The information from the automated database continues to be vital in many tasks essential to department effectiveness and efficiency. These tasks include identification of crime patterns and trends, providing information to assist in the scheduling and distribution of manpower, and the cohesive exchange of information with other agencies for the solution of crime.

Court Disposition Report

During 2020, 1,937 defendants exercised their constitutional option to a hearing at the District Court level. This is a 1.03% increase from 2019. Of the 1,937 hearings, 1,538 or 79.40% were found guilty in summary (traffic and non-traffic) cases. At the York County Court of Common Pleas, 71 defendants appeared which is a decrease of 23.94% from 2019. Of the 71 cases, 59 or 83.10% were convicted. The 71 cases represented felony and misdemeanor charges as well as Summary Appeals and Indirect Criminal Contempt of Court cases.

Of all court cases during 2020, 96.00% were held while the officer was on duty. Patrol officers had court appearances on duty 98.52% of the time and criminal investigators were on duty 100% of the time.

Court Liaison Officer

The CLO was the Department's primary representative for traffic-related cases at all our Magisterial District Offices. In total, the CLO appeared at 816 traffic hearings or 42.12% of all summary hearings and had an 81.74% conviction rate.

Pennsylvania's Right to Know Law (Act 3 of 2008)

The "Right to Know" law requires an "Open Records Compliance Officer" (ORCO), which currently is the Supervisor of Support Services.

Throughout the year, there are many requests for documents by the public and other entities. These requests are handled by the ORCO. The process to respond to the requests is as follows:

- Department receives written request for document
- Document is researched and located
- Document is reviewed to determine what information can be released
- Redact all information that must be excluded
- Provide a written response to the requestor
- Maintain a written log of all requests and actions taken

In 2020, we processed 166 "Right to Know" requests compared to 122 in 2019. Also, 230 court-ordered records were expunged during the year.

TRAINING REPORT

The Department continues in its efforts to provide as much training as possible. Our philosophy being that mandated training is a minimum standard, not a maximum. The Department provides its members, both sworn and non-sworn, the opportunity to receive as much training as scheduling and budget permit. In addition to the annual training mandated by MPOETC, the Department affords both sworn and non-sworn staff the opportunity to attend a variety of trainings in many functional areas, all geared toward better accomplishing the Department's mission. Although the Covid-19 Pandemic caused most training opportunities to be postponed or cancelled, we were still able to offer 2,821 hours of training during 2020.

Some of the notable training accomplishments for 2020 were:

- Two (2) Officers began participating in the Community Anti-terrorism Program Training hosted by the Department of Homeland Security.
- Five (5) Supervisors were trained to be instructors in the BolaWrap hand-held remote restraining device.

In addition to formal training, the Department continued its internal training program during 2020. This program is conducted through a documents management system known as PowerDMS. The training program involves consistent and continual training on the Department's policies and procedures. Each officer is required to review a presented policy or topic each week. After the officer reviews the policy or topic, he/she must achieve a perfect score on an administered exam before receiving credit for the policy review. Since late 2016 this program presented over 130 training topics to each sworn officer.

The Department continues to host various training events. By hosting the events at our facility, we can save on travel and lodging expenses while receiving complimentary tuition for our officers as the host agency. Unfortunately, during 2020 the Covid-19 Pandemic also hindered our ability to host training events, however the goal is to continue hosting various training opportunities in 2021. Since 2011 the Department has received \$42,992.00 in tuition or fees in exchange for hosting various training events.

The following training was attended by NYCRPD staff during 2020:

ARIDE (Advanced Roadside Impairment)
Bola-Wrap Train the Trainer
Citizen Response to Active Shooter
CLEAN Certification
Crime Scene Processing and Investigative Techniques
ENRADD Certification
Field Training Officer (FTO)

FLEET REPORT

FLEET DEPLOYMENT

During 2020 the Department deployed thirty-five vehicles and seven trailers during its operations. The vehicles and trailers are organized into three distinct functional areas:

Patrol vehicles
Administrative vehicles
Special-service vehicles and trailers.

MILEAGE AND FUEL CONSUMPTION

During the delivery of police services in 2020, the fleet traveled a total of 802,334 miles and consumed 60,762 gallons of fuel. The average fuel economy was 13.20 mpg.

VEHICLE DAMAGE

AT-FAULT ACCIDENTS

During 2020 the Department experienced a total of nine (9) accidents in which the officer was culpable. The monetary loss due to these accidents was \$31,114.64. This represents a 44.9 % increase in monetary loss due to culpable accidents compared to 2019 and an 87.69 % increase compared to 2018. Each of the responsible officers received disciplinary action for their negligence. Though nine at-fault accidents are by no means acceptable, our overall safety record was outstanding given that the officers traveled 73,279 miles for every at-fault accident. Considering that the officer's drive in every conceivable type of weather, often in an emergency response mode, the number of accidents remains extremely low.

PRISONER DAMAGE

Occasionally, suspects who are in custody and secured within a patrol vehicle, intentionally inflict damage to the vehicle. Most often these result from suspects kicking the interior door panels or windows. During 2020, we again experienced no prisoner damage. The officers did an exceptional job at securing and controlling prisoners while in Department vehicles.

SOCIAL MEDIA

WEBSITE

<https://nycrpd.org>

In early 2010, we recognized the need to improve upon our Department website. Our goal was to create a user-friendly site that could be used by the community, media, law enforcement, and others as a means to provide accurate and timely information.

The website provides easily accessible ways to contact the Department. Visitors can provide information to specific units such as traffic, criminal, and community policing. Department forms commonly requested by the public are printable from the website.

In January 2016, we introduced the “Daily Police Call Log” to better inform the community on the types of calls we handle on a daily basis. In 2020, we published the “Daily Police Call Logs” for every day of the year.

In 2020, www.nycrpd.org averaged 1,900 visitors a day, totaling 700,000 visitors for the year. There were 387 posts made to the website in 2020. Since the new website was launched on April 23, 2010, nearly 3 million visitors have used our site.

TWITTER

@nycrpd

In May 2013, we began a Twitter account to give us a presence in social media. The twitter account @nycrpd is used to send out timely information on active incidents, road closures and road conditions.

This form of social media has allowed us to send messages out to a broader range of our constituents. During 2020, 409 tweets were sent out to our 3,386 followers. These tweets were viewed over 384,400 times.

FACEBOOK

In July 2014, we launched a Facebook Page to broaden our social media exposure. During 2020, we posted 517 posts and now have 13,034 “followers.”

CONCLUSION

In 2020, we handled 30,730 calls, 1,088 more than 2019 for a 3.54% increase. A breakdown of our overall jurisdiction and individual municipal activity appears on Table VII.

When we consider the workload and the demands placed upon our staff, credit must continue to be directed to our individual members. Without question, the personnel associated with the Northern York County Regional Police Department are exceptional! As the studies have indicated, they do more work with less manpower, at less cost, when compared to others. It is through their efforts that the Department continues to provide quality service and at the same time, receive recognition that, to date has been a model for other organizations.

In order to continue to be able to do this, it should be realized that continued support and direction from the Board of Commissioners is imperative. On behalf of all the members--sworn and civilian alike--we are proud to have had the opportunity to serve our communities throughout 2020!

Respectfully submitted,

DAVID L. LASH
Chief of Police
