A MESSAGE FROM CHIEF LASH

I would like to welcome you to the new format for our annual report. This year we strived to create a more compact document that provides similar information as in years past, but in a more visually informative way.

On September 27, 2021, the Northern York County Regional Police Department celebrated its 49th Anniversary. More importantly, we started our 50th year of being the model for intergovernmental cooperation and regional policing in the Commonwealth. The longevity of the agency is a testament to the dedication and commitment our municipalities and elected officials. As we move towards our 50th Anniversary, we are thankful for the support of our communities and the citizens we serve.

Lastly, I want to thank the men and women, both sworn and unsworn, that collectively embody the Northern York County Regional Police Department. Their dedication to the service of our communities is displayed daily through their sacrifice and hard work. The last several years have been challenging for our communities and our officers. We look forward to returning to "normal" in 2022.

ORGANIZATIONAL MILESTONES IN 2021

- 33,737 Incident Reports (calls) – busiest year in the history of the Department
- Part I Crime decreased by 12.41%
- Heidelberg Township voted to join the Department as a full Charter Member
- Spring Grove Area EMS relocated their headquarters into renovated and leased space at the Officer David Tome Substation
- BolaWrap Remote Restraint Devices were purchased and deployed in patrol
- Signed a 5-year lease for WRAP Reality VR Simulator. 98% of the cost was covered by grants and donations.
- Migrated NYCRPD to Office 365 for Government and secure cloud storage
- Migrated MVR and Body Worn Camera footage to secure cloud storage
- Replaced older generations of Glock Model 22 handguns with Glock Model 22 Gen 5
- Officer Matthew Cicale was promoted to Corporal
- Officers Adam Eisenhart, Jack Govern, Matthew Martin, and Lyssa Pantella joined the Department
- Purchased and deployed four additional Ford Police Interceptor Hybrid Utility patrol vehicles. One third of our patrol fleet is now hybrid. As a result, our average fuel economy increased by nearly 1 MPG.
- Began the process to become accredited under the Pennsylvania Law Enforcement Accreditation Commission.
- Feasibility Study and initial work to replace the headquarters building
- Began tracking overdoses and naloxone usage on Blue Guardian
- Ingress/egress improvements at the Officer David Tome Substation

ORGANIZATIONAL OBJECTIVES FOR 2022

- Patrol operations from the Officer David Tome Substation
- PLEAC Accreditation
- Finalize plans for new headquarters building
- Implementation of Project Lifesaver for at risk citizens
- Roll out of at risk and special circumstances registry on website
- Deployment of a mental health co-responder
- Deployment and full integration of Automated License Plate Readers (ALPRs) and Mission Critical 911 server
- Delivery and deployment of Polaris Ranger Utility Task Vehicle (UTV)
- Continue converting the fleet to hybrid powertrains
- Celebrate our 50th anniversary.

ORGANIZATIONAL CHART 2021

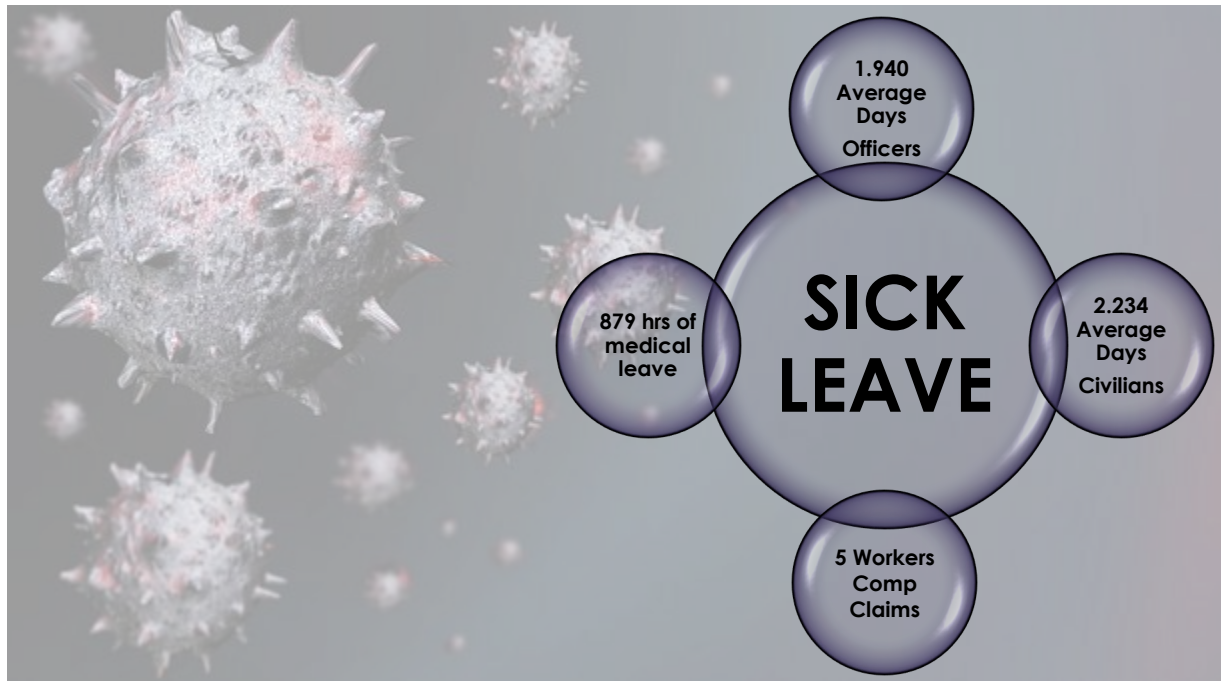

OVERTIME

In 2021, in addition to regular police service time, another 848.50 hours of municipal overtime was worked throughout the year. Our total budget for municipal overtime was \$47,000, however our final overtime cost was \$35,878.48. Also, officers participated in other overtime duty details for the York County Drug Task Force, Center for Traffic Safety, United States Marshal's Fugitive Task Force, and private duty details. Total reimbursable overtime details were equivalent to \$82,820.23/813.50 hours.

SICK LEAVE

Unfortunately, COVID-19 continued to disrupt staffing levels for our Department in 2021, however, there were twenty-three (23) members of the Department who did not utilize any sick leave. Sworn officers were off for an average of 1.940 average days and civilians were off for an average of 2.234 days. Four officers and one civilian were off for a total of 879 hours of extended leave time for surgery/recovery. Five workers compensation claims were filed, with two of the claims resulting in missed time from work.

AWARDS and COMMENDATIONS

The Department and its members received 64 commendations this year from our peers and members of the public. The Chief and the Board of Commissioners recognized another six officers for their work in 2021. Officer Gage Baumgardner was named the Department's Officer of the Year.

TRAFFIC ENFORCEMENT

The Patrol Services Division issued 15,100 traffic citations this year. This is an increase of 2,776 compared to 12,324 in 2020. The traffic enforcement index is determined by dividing the number of injury/fatal accidents into the total number of citations issued. An optimum enforcement index is 10-20 for every injury accident.

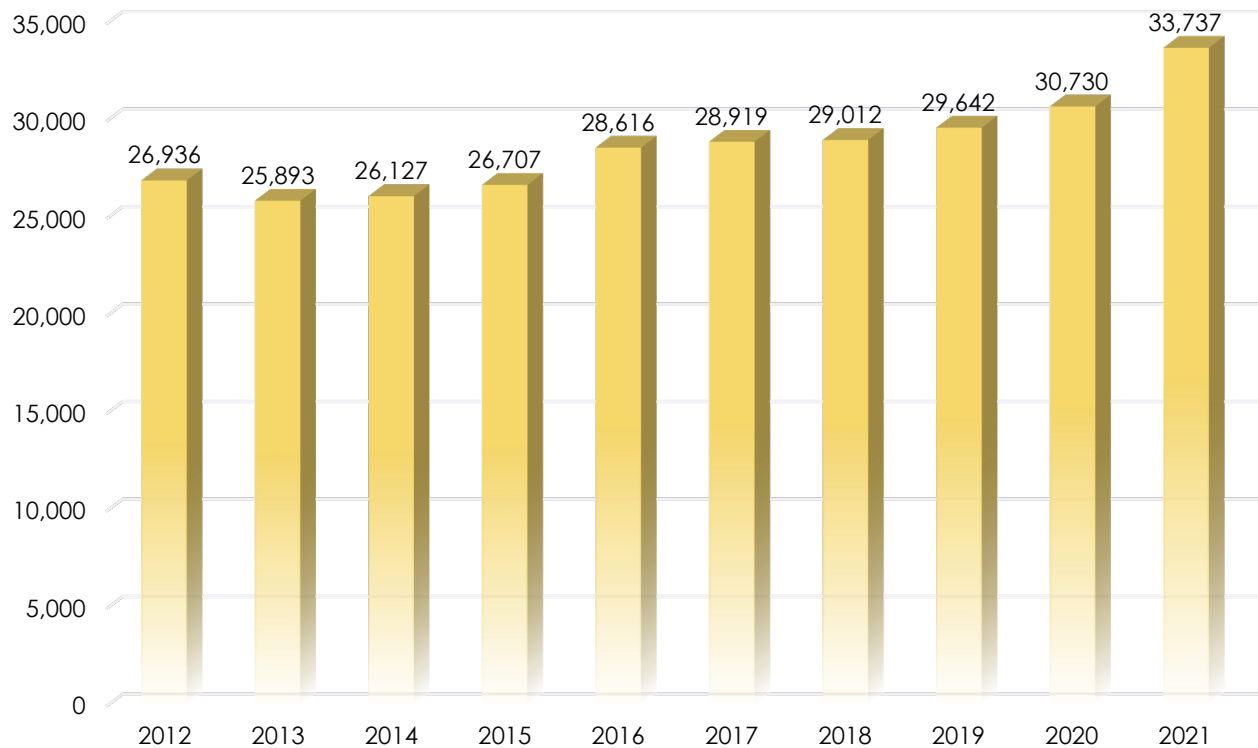

TRAFFIC ENFORCEMENT

CALLS FOR SERVICE

To understand the workload demands places on the Department, it is important to have a historical perspective. In other words, where have we come from and where might we be going. This year our call load showed an increase of 8.91%. In 2021, we serviced 33,737 calls for police assistance, which are 3,007 more calls than the previous year. 2021 marked the highest total calls serviced in Department history. Below is a ten-year recap of activity.

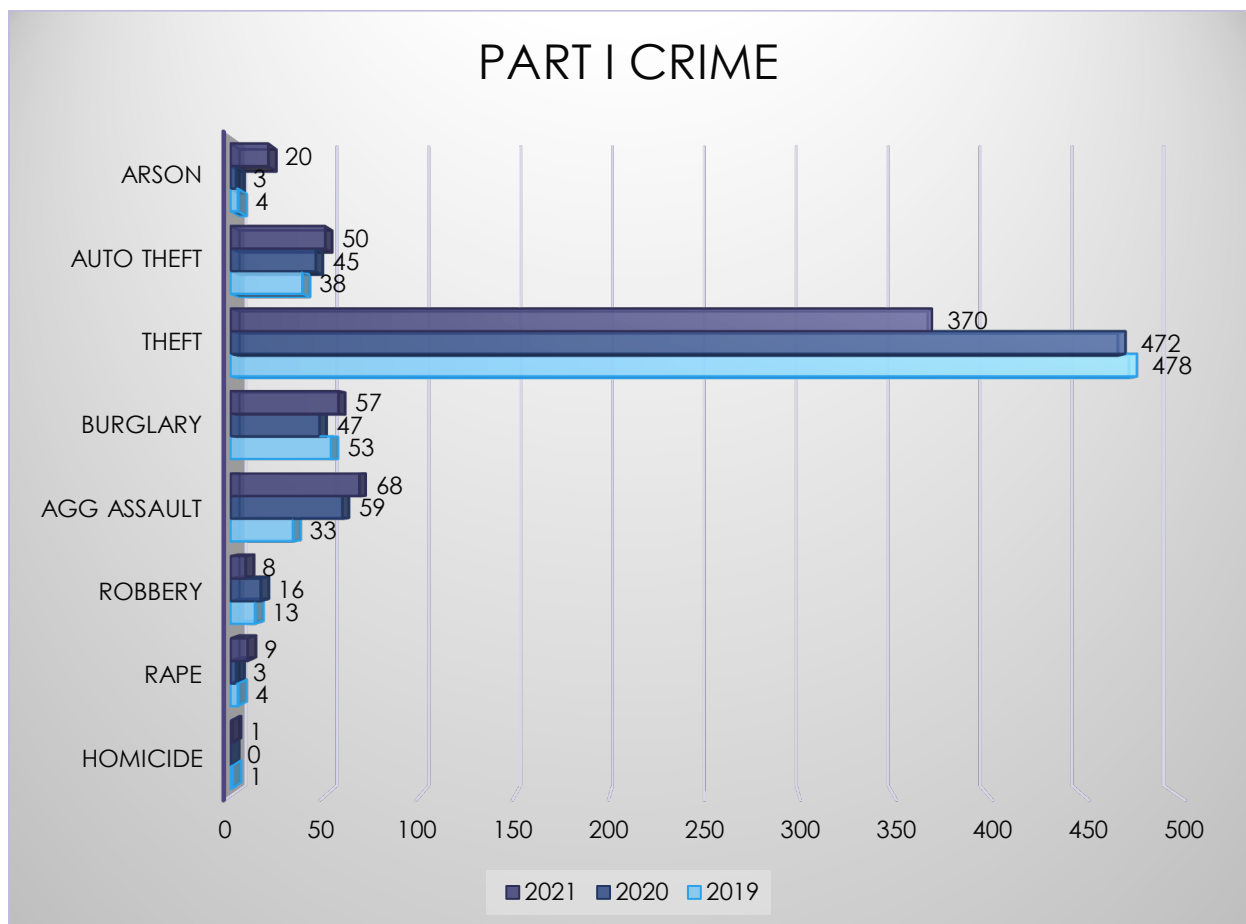

CALLS FOR SERVICE

UNIFORM CRIME REPORTING

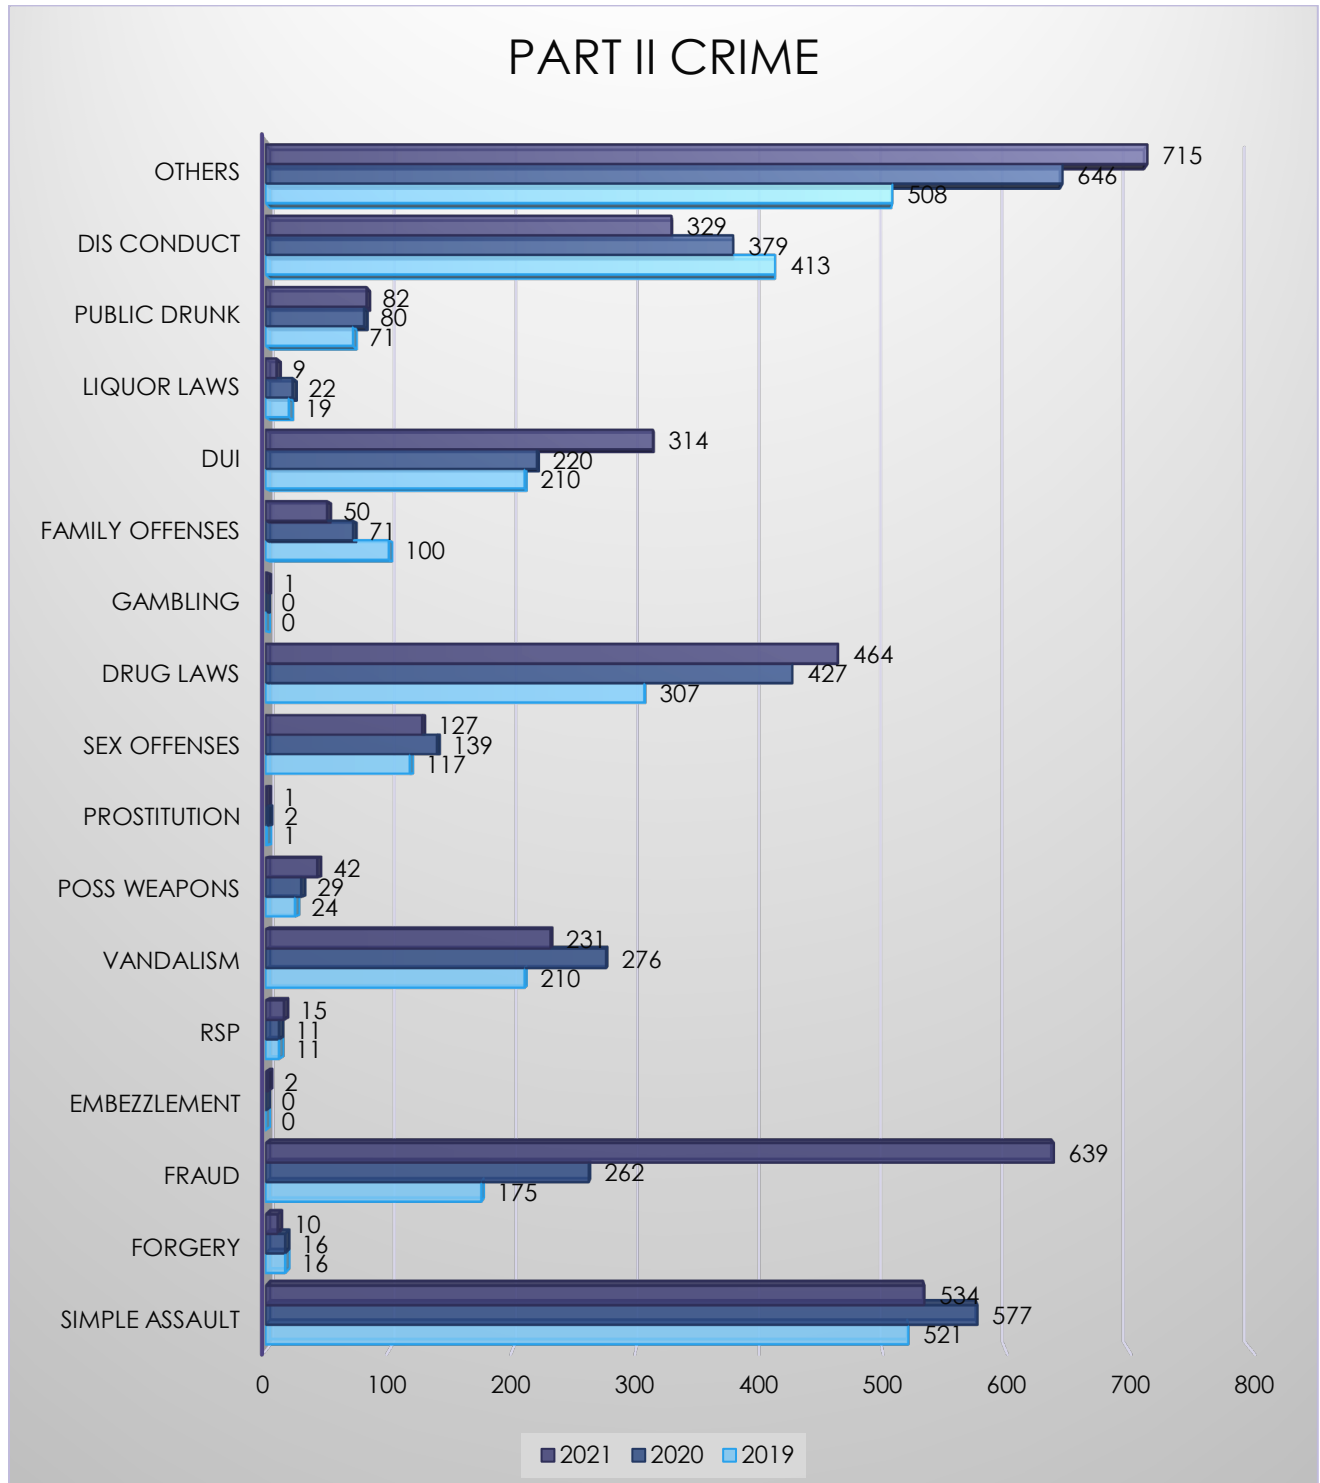

SERIOUS CRIME

Part I Offenses under the FBI Uniform Crime Report System are the *most serious crimes*. Serious crime was down 12.40%, a decrease of 80 incidents in our jurisdiction. Part I Crimes include: Homicide, Manslaughter, Rape, Robbery, Aggravated Assault, Burglary, Theft, Auto Theft and Arson.

LESS SERIOUS CRIME

The 3,565 reported crimes as classified as Part II Offenses under the FBI Uniform Crime Report System are *less serious crimes*. Part II Crimes increased 12.92%, an increase of 408 incidents. A three-year review of these crimes appears on the chart below.

CRIMINAL INVESTIGATIONS DIVISION

The primary responsibility for follow-up investigations of serious crime is vested in the Criminal Investigation Division. This section is staffed by the Special Operations Lieutenant who supervises five full-time investigators and an officer assigned to the Drug Task Force.

The Special Operations Lieutenant is responsible for the review of all criminal reports, supervision at all major crime scenes, staff review of all major criminal cases, liaison with other agencies regarding effective information exchange and coordination of investigative efforts. The Special Operations Lieutenant also serves as the Commander of the Officer David Tome Substation.

Other duties of the Criminal Investigation Section include:

- Assist the Patrol Division with fatal accident and death investigations
- Serves as the system manager of the Department's automated evidence management system—this includes tracking, retention, storage, and transportation of evidence for laboratory testing
- Participating in crime prevention and reduction programs, which includes working specialized details in areas where criminal activities are prevalent
- Surveillance and specialized electronic applications
- Perform Voice Stress Analysis examinations
- Investigation and reporting of complex and time-intensive investigations, which require follow-up function and dedication of time-based assets
- Liaison and analysis of information between Federal, State, and other local law enforcement agencies

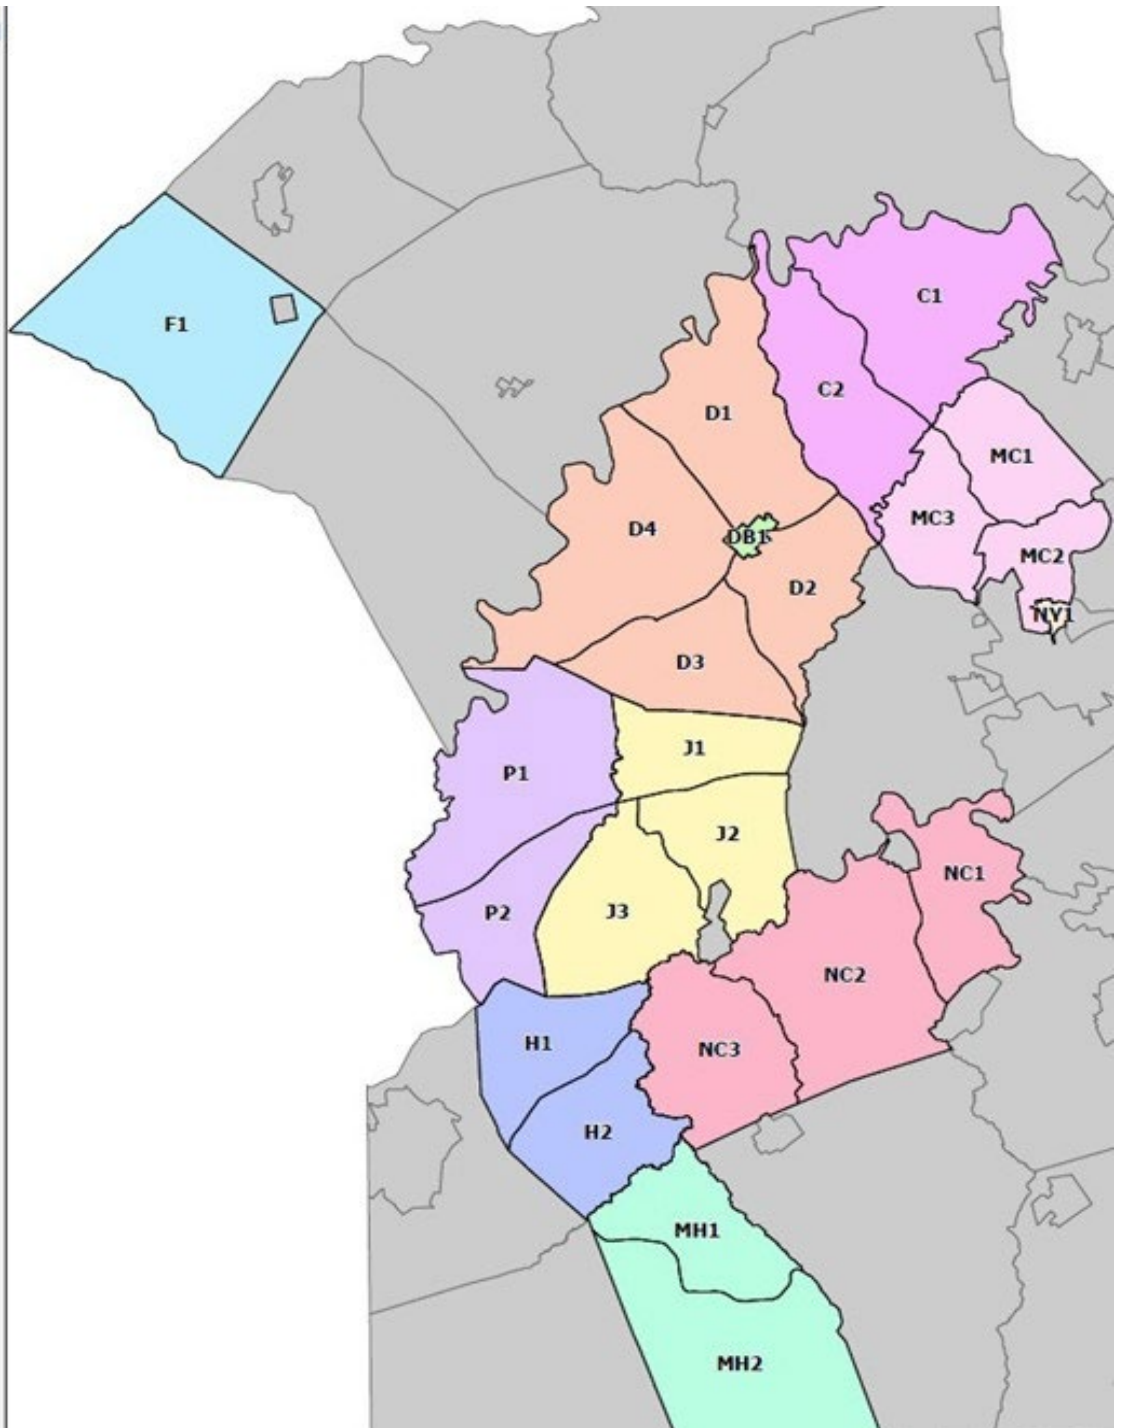

In 2021, 709 incidents were investigated by the Criminal Investigations Divisions (CID) as compared to 687 in 2020. The Criminal Investigation Division closed 649 or 91.53% of the 709 incidents investigated.

SCHOOL RESOURCE OFFICERS

The Northern York County Regional Police Department began our School Resource Officer (SRO) program in 2008. Currently, we provide two SRO's to the Spring Grove Area School District, two SRO's to the Dover Area School District and one SRO to the Lincoln Intermediate Unit #12. Our program has been well received in all of our districts because it generates a positive student/officer relationship. The SRO's also coordinate all security issues for school-related events.

Our School Resource Officers not only provide safety and security to our districts, but SRO's also provide instructional activities in classroom settings. Instructional activities include programs such as Defense Driving, Alive @ 25, Simulated Impaired Driving Experience (SIDNE), and criminal justice related topics. The School Resource Officer proves to be a strong tool for police officer recruitment opportunities. Six of our current officers graduated from school districts that partnered with our Department for School Resource Officers.

COMMUNITY CONNECTIONS

COMMUNITY POLICING

The "Community Policing Unit" presented a total of 51 civic programs in 2021, reaching out to 8,154 people. Our community interactions were hampered by pandemic-related restrictions and cancellations. These programs ranged from personal safety issues to drug awareness to trunk-or-treat events. There were 30 child seat checks completed by our certified car seat technicians.

In late 2012, the Department began participating in the Drug Enforcement Administration's (DEA) National Drug Take-Back Program. The Northern York County Regional Police Department partnered with the York County Solid Waste Authority to have drug disposal boxes in our vestibule. The drug box is accessible to the public during regular business hours. During 2021, we collected over 420 pounds of prescription medication for destruction.

The Unit was also involved with community concerns and activities with everything from problems from traffic flow and speeding motorists to the coordinating of benefit runs, parades and block watch events.

"Officer Dorothy" was utilized in four programs at pre-schools, daycares, and other community events. In 2019, a new "Officer Dorothy" was purchased and 2021 was the first year we were able to deploy her out into the community.

The premise behind National Night Out is to forge partnerships between law enforcement and members of the community to aid in crime prevention and create a safer community for families. Over 2,000 members of our community attended National Night Out making the event a complete success!

EXPLORERS POST #1445

In 2019, the Northern York County Regional Police Department established the only active Explorer Post in York County. The Explorers program is designed for adolescents who are between the ages of 14 and 20 years of age. The program gives the Explorers basic instruction in various phases of law enforcement. Post members meet biweekly at the NYCRRPD Range Building, and they continue to learn police policy and procedures through hands on application of the subject matter. In June 2021, Explorers Post #1445 held their weeklong camp and finished their week with a trip to Washington, D.C., to visit the National Law Enforcement Officers Memorial, the DEA Museum, and the International Spy Museum.

The Department continues in its efforts to provide as much training as possible. Our philosophy is mandated training is a minimum standard, not a maximum. The Department provides its members, both sworn and non-sworn, the opportunity to receive as much training as scheduling and budget permits. Therefore, we were able to offer 3,771 hours of training during 2021.

Notable training accomplishments for 2021:

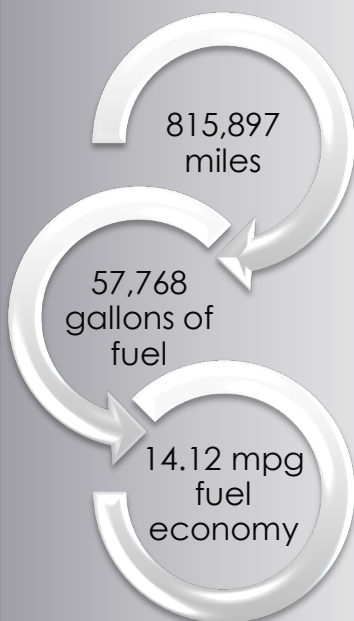

- *All sworn officers were certified as BOLA WRAP Operators so they could carry the remote restraining device.*
- *Ten (10) Officers were training as Operators of the WRAP Reality Virtual Training System.*
- *All sworn officers received a four (4) hour block of de-escalation training as part of Spring Firearms Qualifications.*

In addition to formal training, the Department continued its internal training program during 2021. This program is conducted through a document management system – PowerDMS. The training program involves consistent and continual training on the Department's policies and procedures. Each officer is required to review a presented policy or topic each week. After the officer review the policy or topic, he/she must achieve perfect score on an administered exam before receiving credit for the policy review. Since 2016, this program has presented over 130 training topics to each sworn officer.

The Department continues to host various training events at our facility, therefore saving on travel and lodging expenses while receiving complimentary tuition for our officers. Since 2011, our agency has received \$43,992 in tuition or fees in exchange for hosting various training events.

FLEET REPORT

During 2021, the Department deployed thirty-five (35) vehicles and nine trailers during its operations. The vehicles and trailers are categorized into three distinct functional areas: patrol vehicles, administrative vehicles, and special-service vehicles and trailers.

In 2021, during the delivery of police services, the fleet traveled a total of 815,897 miles and consumed 57,768 gallons of fuel. The average fuel economy was 14.12 mpg.

Four vehicles were sold at auction averaging a \$3,625.00 return on the initial investment. The vehicles average miles were 144,985 and had an average lifespan of 9.0 years.

2016 Ford Explorer	2017 Ford Taurus	2007 Ford 500	2008 Chevrolet Impala
• 156,282 miles • \$6,800.00	• 159,479 miles • \$3,000.00	• 141,022 miles • \$1,900.00	• 123,157 miles • \$2,800.00

During 2021, the Department experienced a total of three (3) accidents in which the officer was culpable. The monetary loss due to these accidents was \$14,204.80. This represents a 54.3% decrease in monetary loss due to culpable accidents compared to 2020. Each of the individual officers received disciplinary action for their negligence. Though three at-fault accidents are by no means acceptable, our overall safety record was outstanding given our officers traveled 271,966 miles for every at-fault accident.

SOCIAL MEDIA

<https://nycrpd.org>

In early 2010, we recognized the need to improve upon our Department website. Our goal was to create a user-friendly site that could be used by the community, media, law enforcement, and others to provide accurate and timely information.

The website provides easily accessible ways to contact the Department. Visitors can provide information to specific units such as traffic, criminal, and community policing. Department forms commonly requested by the public are printable from the website.

In January 2016, we introduced the "Daily Police Call Log" to better inform the community on the types of calls we handle daily. In 2021, we published the "Daily Police Call Logs" for every day of the year.

In 2021, www.nycrpd.org averaged over 1,233 visitors a day, having over 450,000 visitors for the year. There were 413 posts made to the website in 2021.

Since the new website was launched on April 23, 2010, nearly 3,450,000 million visitors have used our site.

@nycrpd

In May 2013, we began a Twitter account to give us a presence in social media. The twitter account @nycrpd is used to send out timely information on active incidents, road closures and road conditions.

This form of social media has allowed us to send messages out to a broader range of our constituents. During 2021, 452 tweets were sent out to our 3,426 followers. These tweets were viewed over 247,300 times.

FACEBOOK

In July 2014, we launched a Facebook Page to broaden our social media exposure. During 2021, we posted 536 posts and now have 13,726 "followers."
